

### General Book Scholarship

Hello Student Veterans,

We are glad you've returned from military service and have chosen to attend college. MCC is proud that you've chosen to get your degree or certificate close to home, and we look forward to your success. Knowing the importance of having books and supplies for your classes on the first day of a term, but realizing the occasional delays processing G.I. Bill benefits, the McHenry County Community Foundation has created a "**Pay It Forward**" grant at MCC to ensure you have the materials you need on the first day of class. Please pay special attention to the "Participation Requirements" section below. Please initial by each statement, indicating that you understand each aspect of the scholarship, and fill out and sign in the box below. Thank you!
