

**Addendum #1
November 16, 2017**

McHenry County College

Supply and Install Water Pump Station

This addendum forms a part of the bidding documents and contract documents and modifies the original bidding documents dated November 10, 2017. Acknowledge receipt of this addendum in the proposal. **Failure to do so may subject the Bidder to disqualification.**

PROJECT MANUAL

Page 11, 5.0 Bid Specifications:

- Delete entirety of the first bullet point and replace with the following:
“Provide bid on pump house structure including all work to construct the building including structural design, structure construction, interior and exterior finishes, electrical, roofing, insulation, pumps, piping, valves, and anything else necessary to create a finished product”

INFORMATION/CLARIFICATION

1. The request for bids is for the purpose of equipment selection. Please provide a submittal as detailed in 1.03 Submittals of the equipment specification. The selected manufacturer will be designed around in the upcoming water main extension project for MCC. The proposed price provided will be written in to the next project contract.

This Addendum #1 **must** be attached and signed with your Proposal.
