Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

National Louis University's (NLU) BS in Management provides a foundation in business principles, as well as an understanding of management, leadership, marketing, strategy and organizational dynamics. The program can be completed through online or campus delivery. There are two NLU campuses convenient to MCC: Elgin and Grayslake. NLU is accredited by The Higher Learning Commission and a member of the North Central Association.

Transfer Options – This transfer guide is for students who are completing the Associate in Applied Science degree in Manufacturing Management (AAS).

Application and Admission

- **Application and admission** – For detailed information, please review the following website:
<http://www.nl.edu/t4/admissions/undergraduateadmissions>
- **Application deadlines** - rolling admission (there is no set application deadline)
- **Application fee** – no fee for students applying to NLU online

Additional Information

- **Scholarship information** – <http://www.nl.edu/t4/financialaid/typesofaid/scholarships/>
- **GPA calculation for admission** - NLU has open admission.
- **Grade requirements** - D grades are not accepted in transfer.
- **Maximum hours from a community college** – 90 semester hours; a minimum of 30 semester hours (45 quarter hours) must be completed at NLU
- **Life Experience Credit** - A portfolio assessment program is available to students who have significant prior learning through career achievements, individual study, or volunteer work.
- **Tuition for 2019/20 Academic Year (Adult Completion Program)** – \$430 per quarter hour
