Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

National Louis University's (NLU) BA in Criminal Justice is designed to prepare students to work in fields addressing the effects of criminality on individuals, communities, and society.
