**Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.**

The Aurora University School of Nursing offers experiences in a variety of hospital and community settings, enhances professional nursing practice and provides a foundation for leadership roles. Aurora University is accredited by The Higher Learning Commission and is a member of the North Central Association. The Bachelor of Science in Nursing is accredited by the Commission on Collegiate Nursing Education and approved by the Illinois Department of Professional Regulation. The program is offered at the Aurora University main campus in Aurora, IL and at the George Williams College campus in Williams Bay, WI.
