to
BS in Business Administration
(2018-2019 Catalog)

Columbia College of Missouri
Adult Higher Education
446 N. Rt. 31
Crystal Lake, IL 60012

Phone: 815-477-5440
Website: <http://www.ccis.edu>

Contact Person: Megan Holt, Enrollment Advisor; Melissa King, Academic Advisor; Jim McNally, Assistant Director; Debra Hartman, Director

Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

The following information applies to the program articulation agreement between MCC's AAS in Manufacturing Management and Columbia's BS in Business Administration. The Business Administration degree prepares students for entry-level positions, for graduate study or to obtain professional placement in their chosen fields. Columbia College Missouri is accredited by The Higher Learning Commission and a member of the North Central Association.

Application and Admission

- **Application and admission** – For detailed information, please review the following website: <http://www.ccis.edu/nationwide/crystallake/admissions.aspx>
- **Application deadline:** Columbia College Missouri uses a rolling admission. Applications are accepted any time of the year for this program. Each session is eight weeks in length.
- **Tuition:** \$375/credit - in classroom and online. CC provides required books at no extra cost (active military students \$250/credit and CC provides a book grant for required books): www.myTuition.com.

Additional Information

- **GPA calculation for admission** - Columbia has open admission. Admission is not based on GPA.
- **Maximum hours from a community college and grade requirement** - A total of 81 semester hours of lower-level (100 & 200 level) courses, with a grade of C or better and from accredited schools, may be accepted for transfer. The degree requires at least 39 semester hours of upper-level (300 & 400 level) courses completed through accredited baccalaureate granting schools. If an MCC course is articulated to a 300 or 400 level course at Columbia, the course will not count toward the 39 semester hours of upper-level coursework. A minimum of 30 credits must be completed through Columbia.
- **Class format** – Six sessions of eight-week classes that meet once a week. Sessions begin in January 7, March 4, April 29, June 24, August 27, and October 22. Evening, Saturday, hybrid and online classes can be taken simultaneously.
- **Credit for prior learning** - A portfolio assessment program is available to students who have significant prior learning through career achievements, individual study, or volunteer work. It is possible to earn a maximum of 15 credits. No more than 60 semester hours will be granted for military rating or occupational specialty, challenge examinations (AP, CLEP, & DANTES), or any other source of alternate credits.
- A single course may be used to satisfy **both** general education and major-related requirement. For example, Macroeconomics can satisfy both a Core Course Requirement and a General Education requirement.
- **A2B Program (Associate to Bachelor Program)** – By participating in the A2B program, you will receive a **four-year degree plan** from Columbia College Missouri and your Columbia **catalog year will be locked in**. This means the degree plan you are using when you sign up to participate will be the same as when you transfer to Columbia. For more details, go to this website: <https://www.ccis.edu/programs/a2b.aspx>.

Education Plan – AAS in Manufacturing Management to BS in Business Administration

Minimum grade of C required

General Education	Credits	MCC
