Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

Transfer Options for the AAS and the AGE degree

- **Columbia College Missouri Alternate Associate Transfer Policy (33 hour rule)** – This policy applies to students who complete an AAS or an AGE degree. Columbia College Missouri general education requirements will be satisfied if the following is completed:
 - Associate in Applied Science (AAS) degree or Associate in General Education (AGE) degree
 - At least 33 semester hours of Columbia College Missouri approved general education coursework
 - ENG 151 and ENG 152 with at least a grade of C or better
- If the AAS or the AGE degree is completed before entering Columbia College and it does not include Columbia's required general education courses, the additional general education courses can be completed through MCC, Columbia, or another accredited institution. Transfer courses accepted by MCC to satisfy specific AAS and AGE requirements will be re-evaluated by Columbia. For example, a transfer course that MCC accepts to satisfy ENG 151 does not automatically satisfy Columbia's Composition I.
- **A2B Program (Associate to Bachelor Program)** – By participating in the A2B program, you will receive a **four-year degree plan** from Columbia College Missouri and your Columbia **catalog year will be locked in**. This means the degree plan you are using when you sign up to participate will be the same as when you transfer to Columbia. For more details, go to this website: <https://www.ccis.edu/programs/a2b.aspx>.

Application and Admission

- **Application and admission** – For detailed information, please review the following website:
<http://www.ccis.edu/nationwide/crystallake.aspx>
- **Application deadline:** Columbia College Missouri uses a rolling admission. Applications are accepted any time of the year for this program. Each session is eight weeks in length.
- **Tuition:** \$375/credit - in classroom and online. CC provides required books at no extra cost (active military students \$250/credit and CC provides a book grant for required books): www.myTruition.com.

Additional Information

- **GPA calculation for admission** - Columbia has open admission. Admission is not based on GPA.
- **Maximum hours from a community college and grade requirement** - A total of 81 semester hours of lower-level (100 & 200 level) courses, with a grade of C or better and from accredited schools, may be accepted for transfer. The degree requires at least 39 semester hours of upper-level (300 & 400 level) courses completed through accredited baccalaureate granting schools. If an MCC course is articulated to a 300 or 400 level course at Columbia, the course will not count toward the 39 semester hours of upper-level coursework. A minimum of 30 credits must be completed through Columbia.
- **Class format** – Six sessions of eight-week classes that meet once a week. Sessions begin in January 7, March 4, April 29, June 24, August 27, and October 22. Evening, Saturday, hybrid and online classes can be taken simultaneously.
- **Foreign Language Requirement** – BA degree – 6 semester hours of the first two levels of a single foreign language or the equivalent or 6 semester hours/2 courses in any Foreign Culture & Society cultures. See last page of this guide for detailed foreign language requirement options.
- **Life Experience Credit** - A portfolio assessment program is available to students who have significant prior learning through career achievements, individual study, or volunteer work. It is possible to earn a maximum of 15 credits. No more than 60 semester hours will be granted for military rating or occupational specialty, challenge examinations (AP, CLEP, & DANTES), or any other source of alternate credits.

Education Plan – AAS in Criminal Justice to BA in Criminal Justice

- **Bolded** courses satisfy Columbia major-related courses
- Courses in *italics* satisfy Columbia general education requirements (33 credits required, including ENG151 & 152 – see next page)
- Courses that are not bolded or in italics will satisfy elective credit at Columbia.
- Columbia College Missouri requires a grade of C or better for each course
