COLUMBIA COLLEGE OF MISSOURI

TRANSFER GUIDE

Associate in General Education (AGE)

to

Bachelor of General Studies (BGS)

(2018-2019 Catalog)

Columbia College of Missouri

Adult Higher Education   Phone: 815-477-5440
446 N. Rt. 31    Website: http://www.ccis.edu
Crystal Lake, IL  60012

Contact Person: Megan Holt Enrollment Advisor; Melissa King, Academic Advisor; Jim McNally, Assistant Director; Debra Hartman, Director

Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and check with the four-year school as soon as the transfer decision is made. Responsibility for complying with all applicable requirements ultimately rests with the student.

The BGS degree integrates coursework across the curriculum. It is designed for the student who desires a liberal arts and sciences bachelor’s degree from Columbia College Missouri. There is not a specific major. Students can build the BGS degree around minors. Columbia College Missouri is accredited by The Higher Learning Commission and a member of the North Central Association.

Transfer Options

- The information on this guide is designed for students who are completing MCC’s AGE degree. For students who complete an AGE degree, Columbia College Missouri general education requirements will be satisfied if the following are completed:
  - At least 33 semester hours of Columbia College Missouri approved general education coursework (Columbia’s 33 Hour Rule; see education plan below).
  - ENG 151 and ENG 152 with at least a grade of C or better
  - Transfer courses accepted by MCC to satisfy specific AGE requirements will be re-evaluated by Columbia. For example, a transfer course that MCC accepts to satisfy ENG 151 does not automatically satisfy Columbia’s Composition I.

- **A2B Program (Associate to Bachelor Program)** – By participating in the A2B program, you will receive a four-year degree plan from Columbia College Missouri and your Columbia catalog year will be locked in. This means the degree plan you are using when you sign up to participate will be the same as when you transfer to Columbia. For more details, go to this website: https://www.ccis.edu/programs/a2b.aspx.

Admission

- **Application and admission** – For detailed information, please review the following website: http://www.ccis.edu/nationwide/admissions/index.asp?CrystalLake

- **Application deadline**: Columbia College Missouri uses a rolling admission. Applications are accepted any time of the year for this program. Each session is eight weeks in length.

- **Tuition**: $375/credit - in classroom and online. CC provides required books at no extra cost (active military students $250/credit and CC provides a book grant for required books): www.myTruition.com.

Additional Information

- **GPA calculation for admission** – Columbia has open admission. Admission is not based on GPA.

- **Maximum hours from a community college and grade requirement** - A total of 81 semester hours of lower-level (100 & 200 level) courses, with a grade of C or better and from accredited schools, may be accepted for transfer. The degree requires a total of 39 semester hours of upper-level (300 & 400 level) courses completed through accredited baccalaureate granting schools. If an MCC course is articulated to a 300 or 400 level course at Columbia, the course will not count toward the 39 semester hours of upper-level coursework. A minimum of 30 credits must be completed through Columbia.

- **Class format** – Six sessions of eight-week classes that meet once a week. Sessions begin in January 7, March 4, April 29, June 24, August 27, and October 22. Evening, Saturday, hybrid, and online classes can be taken simultaneously.

- **Credit for prior learning** - A portfolio assessment program is available to students who have significant prior learning through career achievements, individual study, or volunteer work. It is possible to earn a maximum of 15 credits. No more than 60 semester hours will be granted for military rating or occupational specialty, challenge examinations (AP, CLEP, & DANTES), or any other source of alternate credits.
• **Multicultural requirement** - A 3-semester hour Multicultural course is a bachelor’s degree requirement. Following are MCC courses satisfying the requirement: ANT 151; ART 150, 171; BUS 175; ECO 150, 252; ENG 271, 272, 253, 254; FRE 151, 152; GEG 107; GER 151, 152; PHI 160; PLT 251; SOC 151, 175, 260; SPA 151, 152; THE 151 (Depending on the course, it also may satisfy a general education or a major requirement.)

**Education Plan**

- Please refer to MCC’s AGE degree planning sheet or catalog for detailed degree requirements
- Students can complete a minor with BGS degree.
- Columbia College Missouri requires a grade of C or better for each course
