Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

In the state of Illinois, Elementary Education Teacher Education licensure is for grades 1-6. Eastern Illinois University (EIU) offers the B.S. in Elementary Education degree, leading to teacher licensure with an Elementary endorsement. Graduates are prepared to teach reading, writing, science, mathematics, social studies, critical thinking skills and problem solving strategies to elementary school students in self-contained classrooms. EIU's program is accredited by the National Council for Accreditation of Teacher Education (NCATE).

Transfer Options
