Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

In the state of Illinois, Middle School Teacher Education licensure is for grades 5-8. Eastern Illinois University (EIU) offers the The B.S. in Middle Level Education, which leads to teacher licensure with endorsements in middle grades literacy/language arts and a subject area of choice (middle grades mathematics, middle grades social science, or middle grades general science). Graduates are prepared to teach adolescents transitioning from childhood to adulthood. The programs are accredited by the National Council for Accreditation of Teacher Education (NCATE).

IMPORTANT NOTE: EIU's Middle School program has been revised to meet the new Illinois Professional Teaching Standards (IPTS), including Common Core Standards that apply to the teaching of students. This transfer guide includes MCC coursework approved by EIU to count toward the University's Middle School program. **EIU's new requirements apply to all students who will graduate from EIU February 1, 2018 or after. Students following MCC's 2013/14 or prior transfer guide must graduate before February 1, 2018 or change to the revised curriculum.**
