Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

In the state of Illinois, Middle School Teacher Education licensure is for grades 5-8. Illinois State University (ISU) offers the Bachelor of Science in Education degree. Students choose 2 endorsement areas from the following: English Language Arts, Mathematics, Science, Social Science, or English as a Second Language (ESL).

 - IAI core may be completed at ISU by taking ISU-approved IAI courses.

Students applying or submitting required documents after the preferred filing period will be admitted as space permits. Deadlines are subject to change. For admission details, please refer to this website: <http://admissions.illinoisstate.edu/>.
 - **Summer & Fall:** Application Deadline – May 1; Required Document Deadline – June 1; Preferred Filing Period – September 1 – January 1
