

Loyola University Chicago
McHenry County College Transfer Guide
RN to BSN (online program)
(2019-2020 Catalog)

Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

Loyola University Chicago's Marcella Niehoff School of Nursing curriculum is approved by the Committee on Nursing of the Illinois Department of Professional Regulation and is fully accredited by the Commission on Collegiate Nursing Education. The [RN-to-BSN](#) online year-round program allows students to obtain a Bachelor of Science in Nursing degree in a minimum of three semesters. The program is designed for licensed, professional nurses and is specially designed to include previous education and current work experience.

Admission Information

- **Priority Application Deadline** – Fall - July 15; Spring - December 5; Summer - April 15
- **Admission requirements** (brief summary – see Loyola website for detailed requirements)
 - Licensed as a registered nurse
 - 2.5 cumulative GPA; all transferable courses used in calculation, including repeated courses
 - Transcripts from all institutions, including approved/accredited nursing program
- **Course Prerequisite Requirements** – There are no specific course prerequisite requirements before admission. Applicants must have a current RN license. Students may transfer in core requirement courses. **Once admitted, RN to BSN students are responsible for completing university core requirements at Loyola.**

Additional Information

- **Grade Requirements** – Grade of C- or higher
- **Program Plan Options** - Each course is 3 credit hours and taught over 6-8 weeks
 - **Full-Time Program Plan** - Full-time students complete a total of 12 credits each semester and take 2 courses each session. The full-time program plan may be completed in a minimum of one academic year if all core courses transfer in at the time of admission.
 - **Part-Time Program Plan** - Part-time students complete a total of 6 credits each semester and take 1 course each session. The part-time program plan may be completed in a minimum of two academic years if all core courses transfer in at the time of admission.
- **Program Requirements** - The 120 semester hours of which a minimum of 30 credits must be completed through Loyola online coursework
 - Transfer credits - maximum of 66 credits (nursing 30 credits; general education 36 credits)
 - Loyola nursing courses - 24 credit hours
 - University Core requirements - 6 - 18 credit hours (minimum 6 credits must be completed through Loyola)
 - [Professional Nursing ePortfolio](#) - A maximum of 25 credits are awarded as portfolio credit. If the minimum credits needed are not met from the ePortfolio, additional credits must be earned from Loyola courses. There is no charge for portfolio credit.
- **Tuition** - \$646 per credit hour. The **minimum** number of credits through Loyola coursework will be 30. The number will depend on portfolio credit granted. Technology Fee - \$125/semester. Check Loyola's website for most current tuition information.
