Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

The following programs leading to the Bachelor of Science degree are offered in the College of Business: accountancy, finance, business administration, management, marketing, operations and information management. The programs are accredited by AACSB International – The Association to Advance Collegiate Schools of Business.

Transfer Options

- **Guaranteed Admission** - Provides MCC students with the opportunity for guaranteed admission to the University and academic advisement from both MCC academic advisors and NIU transfer personnel.
- **AA or AS Degree** - Transfer students who receive an AA or an AS degree from an Illinois public community college, have not previously attended NIU, are in good standing at the last college attended, and have a cumulative GPA of 2.00 or higher are guaranteed the following:
 - Minimum of 60 semester hours in transfer credit
 - Junior status
 - Lower division NIU General Education requirements satisfied (Additional/specific course requirements may be needed for individual NIU majors.)
- **Illinois Articulation Initiative** - Transfer students who enter NIU as first time students with the IAI General Education Core Curriculum (IAI GECC) completed are considered to have completed NIU's general education requirements. Individual majors may require additional/specific coursework.
- **For students who transfer prior to completing an AA or an AS degree or the IAI core:**
 - NIU credit can be transferred back to MCC for completion of the AA or the AS degree. Ask your MCC academic advisor about the Reverse Transfer Agreement partnership with NIU.
 - If only a portion of the IAI GECC is completed upon transfer, NIU will evaluate on a course by course basis to see how each course fits into NIU's General Education.

Admission Notes

- Submit application and supporting documents to the Office of Admissions. Refer to the NIU catalog for application information.
- Please refer to the following website for the latest College of Business requirements: <http://www.cob.niu.edu/advising/>. The site is updated in August or September of each academic year.
- Application deadline: Fall (August 1), Spring (December 1), Summer (May 15)
- Indicating primary area of academic interest on the application does constitute a declaration of a major.
- The student must formally request a transcript review for entrance into 300 and 400 level business courses. This occurs at NIU's College of Business orientation or once the foundation requirements have been met.

Additional Information

 - Randall N. Beck Memorial Scholarship – preference given to MCC and COD students
 - Scholarship application deadlines were in February; however, keep an eye on the scholarship website for additional money
