

Roosevelt Dual Enrollment Program Pre-Pharmacy Admission Requirements and Course Planner

Roosevelt University and McHenry County College partnership creates an educational pathway for top performing, qualified students interested in becoming pharmacists. Up to 10 students from MCC, who are selected by Roosevelt University College of Pharmacy to participate in the Pharmacy Partners program, will be eligible for direct admission to its Doctor of Pharmacy program as long as all program and pharmacy admission criteria are met.

Benefits

- Direct admission into the College of Pharmacy, no need to apply through PharmCAS
- Guaranteed seat upon meeting prerequisite coursework and partnership admission criteria
- Pharmacy College Admission Test (PCAT) waived

Application and Admission Requirements for the Direct Enrollment Program (DEP)

<https://www.roosevelt.edu/colleges/pharmacy/admission/pharmacy-partners>

- _____ Complete one term at MCC, with a minimum of 12 credits earned and a minimum 3.0 in prerequisite courses (must include at least one biology or chemistry course)
- _____ Submit a Pharmacy Partners Application before the end of the second term at MCC. Acknowledge in writing your ability to meet the College of Pharmacy Technical Standards for Admission, Promotion, and Graduation.
- _____ Participate in an Early Entrance Interview at Roosevelt University and be recommended by the pharmacy faculty for program admission.
- _____ Be recommended by pharmacy faculty for program admission and accept offer

Students who are admitted to the Pharmacy Partners Program must meet the following requirements in order to be guaranteed admission into the Doctor of Pharmacy program:

- _____ Enroll full-time (12 or more credits) each semester and complete requirements within **two years** of date of initial enrollment in MCC. Students who require additional time to complete prerequisites must apply to Roosevelt through the regular admission process. **NOTE: Be advised that you will need to take more than 12 credits each semester in order to complete the prerequisites in two years.**
- _____ Submit an unofficial transcript to Roosevelt following each term at MCC.
- _____ Complete all required prerequisite coursework at MCC
 - Achieve cumulative GPA of a 3.0 on a 4.0 scale for all courses completed.
 - Math and science courses must have a minimum cumulative GPA of 2.75.
 - All courses require a minimum grade of C.
 - Complete all science and speech courses in an on-site learning environment. Online courses will not be accepted. Hybrid courses may be considered. Consult RU.
 - All math and science coursework should be no more than ten years old at the time of application.
 - Earning a grade lower than the minimum grade required will mean dismissal from DEP.
 - Complete all pre-pharmacy courses by June 1 of the desired year of entry.
 - Advanced Placement credit with scores of 4 or higher on the exams is accepted as long as the credit appears on your MCC transcript. Roosevelt will require a copy of your official AP scores.
- _____ Participate in a pre-matriculation interview in the fall term in the year prior to entering Roosevelt.

- _____ Once provisional admission is accepted, pay the College of Pharmacy deposit by the date listed in your acceptance letter
- _____ Complete all remaining admission requirements, including the successful outcome of a drug screening and criminal background check. Applicants are responsible for the cost of the drug screening and criminal background check.
