McHenry County College (MCC) and School of the Art Institute of Chicago (SAIC) have entered into an Articulation Agreement, providing a pathway toward the BFA degree. The Agreement not only provides **articulated coursework**, but also the opportunity of **Guaranteed Admission to SAIC and a Transfer Partnership Award in the amount of \$2000**, renewable annually, along with a merit scholarship opportunity.

SAIC is a private, nonprofit college. It is a professional college of the visual and related arts, accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools and the National Association of Schools of Art and Design.
